### AMERICAN

Recommended for masonry brush, push broom, waterproofing, acid brush or any wash brush

### EUROPEAN

Recommended for polish, power wheels, special brushes, industrial brushes, mushroom brushes, etc.

### STIFF

This fiber it's great to give the brush more volume. Perfect for push brooms, cleaning, washing and scrapeing. This material is more rigid.

### Black

This fiber is perfectly dyed in black color and hard to give away the color. we recommend for push brooms.

### Washing brush

This mix is between Natural Tampico Fiber and Palmyra or Bassine. It can be dye in black color. Perfect for staple brushes.

### GRAY

This mix is between Natural Tampico Fiber and Black Dye Tampico Fiber. For staple brushes and industrial uses.

### THREE COLORS

This mix is between Natural Tampico, Red Tampico and Black Tampico Fiber. Perfect for staple brushes.

### UNION POLYPROPILENE

This mix is between Polypropilene in Natural Tampico Fiber color and Palmyra Fiber.

### BLEACHED NATURAL

Tampico fiber

### HORSE HAIR

Tail and mains

### PALMYRA OR BASSINE FIBER NATURAL OR BLACK DYE:

From India

### RICE ROOT (ZACATON) OR BROOM ROOT

From Mexico
